## CIABATTA STICKS

FB882

Our popular ciabatta sticks feature a classic, firm ciabatta-type dough but with a more closed texture. They're perfect for dipping. The lovely crisp crust makes them a popular choice to accompany antipasto. You can even cut them into croutons for use in soups

code	description	approx. weight	case amount
FB882	<b>Ciabatta sticks</b>	20-30g	90

Just defrost and serve. May be warmed through in the oven
