

SPECIALITY BREADS

MULTISEED CHIA RUSTIC ROLL

FB635

These rolls look fantastic with a really farmhouse rustic appearance and are absolutely packed with flavour. Each roll is made with a multigrain flour as well as chia and poppy seeds, which makes for a superb flavoursome eat. Chia seeds are well known for their apparent health benefits and are a particularly good source of Omega 3.

code	description	approx. weight	case amount
FB635	Multiseed chia rustic roll	100g	40

Just defrost and serve. May be warmed through in the oven
