

SPECIALITY BREADS

SCIOCHE® (LEMON & POPPYSEED)

FBSC02

A new product deserves a new flavour so we created this fantastic addition to our range. Made with lemon and packed with poppyseeds there are lots of ways to use this product. Beautiful when served with clotted cream, lemon curd and topped with blueberries but it also lends itself well to being served toasted and topped with crabmeat or scallops and chorizo.

code	description	approx. weight	case amount
FBSC02	Scioche® (Lemon & poppyseed)	140g	20

Just defrost and serve. May be warmed through in the oven
